INDEX

TO THE

TRANSACTIONS OF THE ROYAL SOCIETY OF SOUTH AFRICA

Volume 48, 1992-1993

ABBREVIATIONS:

R48,1: Volume 48, page 1

A comparison of subterranean herbivory by fossorial and terrestrial mammals. (De Villiers.) R48,257

A comparative investigation of hyaenid and aardwolf life histories, with notes on spotted hyaena mortality patterns. (Van Jaarsveld.) R48,219

Aardwolf life histories. (Van Jaarsveld.) R48,219

ANATOMY

HENNEBERG, M. Continuing human evolution: bodies, brains and the role of variability. R48,159

MCKEE, J.K. Formation and geomorphology of caves in calcareous tufas and implications for the study of the Tuang fossil deposits. R48,307

Antidorcas marsupialis treks. (Skinner.) R48,291

Aquatic insect invaders. (De Moor.) R48,141

BOTANY

LEVITT, G.J. Primary production of the Cape of Good Hope littoral and sublittoral seaweeds. R48,339

MILTON, S.J., DEAN, W.R.J., KERLEY, G.I.H. Tierberg Karoo Research Centre: history, physical environment, flora and fauna. R48,15

REBELO, A.G. Red data book species in the Cape floristic region: threats, priorities and target species. R48,55

Bottlenek, East Cape Drakensberg, rock glaciers. (Lewis and Hanvey.) R48,265

Cape floristic region, red data book species. (Rebelo.) R48,55

Cape of Good Hope littoral and sublittoral seaweeds, primary production. (Levitt.) R48,339

Caves in calcareous tufas, formation and geomorphology. (McKee.) R48,307

Caves in calcareous tufas, Tuang fossil deposits. (McKee.) R48,307

COE, M.J., SKINNER, J.D. Connections, disjunctions and endemism in the eastern and southern African mammal faunas. R48,233

Connections, disjunctions and endemism in the eastern and southern African mammal faunas. (Coe and Skinner.) R48,233

Continuing human evolution: bodies, brains and the role of variability. (Henneberg.) R48,159

DEAN, W.R.J., *see* MILTON, S.J.

DE MEILLON, B., *see* SCHUMANN, E.H.

DE MOOR, F.C. Factors influencing the establishment of aquatic insect invaders. R48,141

DE VILLIERS, M.S. A comparison of subterranean herbivory by fossorial and terrestrial mammals. R48,257

Disjunctions, eastern and southern African mammal faunas. (Coe and Skinner.) R48,233

Drakensberg, East Cape, rock glaciers. (Lewis and Hanvey.) R48,265

Eastern African mammal faunas, connections, disjunctions and endemism. (Coe and Skinner.) R48,233

Economic context, South African science policy. (Ellis.) R48,351

ELLIS, G.F.R. Priorities in South African science policy in a changing economic and political context. R48,351

Endemism, eastern and southern African mammal faunas. (Coe and Skinner.) R48,233

Environment, physical, Tierberg Karoo Re-search Centre. (Milton, Dean and Kerley.) R48,15

Environmental change, vertebrate populations as indicators. (MacDonald.) R48,87

Factors influencing the establishment of aquatic insect invaders. (De Moor.) R48,141

Faraday, Joule and the mechanical equivalent of heat. (Spargo.) R48,47

Fauna, Tierberg Karoo Research Centre. (Milton, Dean and Kerley.) R48,15

Faunas, mammal, connections, disjunctions and endemism. (Coe and Skinner.) R48,233

Flora, Tierberg Karoo Research Centre. (Milton, Dean and Kerley.) R48,15

Formation and geomorphology of caves in calcareous tufas and implications for the study of the Tuang fossil deposits. (McKee.) R48,307

Fossil deposits, caves in calcareous tufas. (McKee.) R48,307

Fossorial mammals, subterranean herbivory. (De Villiers.) R48,257

Function of scent marking in territories: a resurrection of the intimidation hypothesis.

Q
85
.C22

(Richardson.) R48,195

GEOLOGY AND PALAEONTOLOGY

LEWIS, C.A., HANVEY, P.M. The remains of rock glaciers in Bottleneck, East Cape Drakensberg, South Africa. R48,265

MCKEE, J.K. Formation and geomorphology of caves in calcareous tufas and implications for the study of the Tuang fossil deposits. R48,307

MILTON, S.J., DEAN, W.R.J., KERLEY, G.I.H. Tierberg Karoo Research Centre: history, physical environment, flora and fauna. R48,15

TOBIAS, P.V. New researches at Sterkfontein and Taung with a note on Piltdown and its relevance to the history of palaeoanthropology. R48,1

Geomorphology and formation of caves in calcareous tufas and implications for the study of the Tuang fossil deposits. (McKee.) R48,307

Giraffe, extraordinary shape. (Mitchell and Skinner.) R48,207

Glaciers, rock, East Cape Drakensberg. (Lewis and Hanvey.) R48,265

HANVEY, P.M., *see* LEWIS, C.A.

Heat, mechanical equivalent. (Spargo.) R48,47

HENNEBERG, M. Continuing human evolution: bodies, brains and the role of variability. R48,159

Herbivory, subterranean, fossorial and terrestrial mammals. (De Villiers.) R48,257

History, Tierberg Karoo Research Centre. (Milton, Dean and Kerley.) R48,15

HOCKEY, P.A.R., VAN ERKOM SCHURINK, C. The invasive biology of the mussel: *Mytilus galloprovincialis* of the southern African coast. R48,123

How giraffe adapt to their extraordinary shape. (Mitchell and Skinner.) R48,207

Human evolution, continuing. (Henneberg.) R48,159

Hyaena, spotted, mortality patterns. (Van Jaarsveld.) R48,219

Hyaenid life histories. (Van Jaarsveld.) R48,219

Hydrology of the St Francis Bay marina. (Schumann and De Meillon.) R48,323

Insect invaders, aquatic. (De Moor.) R48,141

Intimidation hypothesis, scent marking. (Richardson.) R48,195

Invasive biology of the mussel: *Mytilus galloprovincialis* on the southern African coast. (Hockey and Van Erkom Schurink.) R48,123

Joule, Faraday and the mechanical equivalent of heat. (Spargo.) R48,47

Karoo Research Centre, Tierberg. (Milton, Dean and Kerley.) R48,15

KERLEY, G.I.H., *see* MILTON, S.J.

LEVITT, G.J. Primary production of the Cape of Good Hope littoral and sublittoral seaweeds. R48,339

LEWIS, C.A., HANVEY, P.M. The remains of rock glaciers in Bottleneck, East Cape Drakensberg, South Africa. R48,265

Life histories, hyaenid and aardwolf. (Van Jaarsveld.) R48,219

Littoral seaweeds, primary production. (Levitt.) R48,339

MACDONALD, I.A.W. Vertebrate populations as indicators of environmental change in southern Africa. R48,87

Mammal faunas, connections, disjunctions and endemism. (Coe and Skinner.) R48,233

Mammal Research Institute, Silver Jubilee Symposium. (Van Jaarsveld.) R48,ii

Mammals, subterranean herbivory. (De Villiers.) R48,257

Marina, St Francis Bay, hydrology. (Schumann and De Meillon.) R48,323

MCKEE, J.K. Formation and geomorphology of caves in calcareous tufas and implications for the study of the Tuang fossil deposits. R48,307

METEOROLOGY AND CLIMATOLOGY

MILTON, S.J., DEAN, W.R.J., KERLEY, G.I.H. Tierberg Karoo Research Centre: history, physical environment, flora and fauna. R48,15

MILTON, S.J., DEAN, W.R.J., KERLEY, G.I.H. Tierberg Karoo Research Centre: history, physical environment, flora and fauna. R48,15

MITCHELL, G., SKINNER, J.D. How giraffe adapt to their extraordinary shape. R48,207

Mortality patterns, spotted hyaena. (Van Jaarsveld.) R48,219

Mussel, *Mytilus galloprovincialis*, invasive biology. (Hockey and Van Erkom Schurink.) R48,123

Mytilus galloprovincialis, mussel, invasive biology. (Hockey and Van Erkom Schurink.) R48,123

New researches at Sterkfontein and Taung with a note on Piltdown and its relevance to the history of palaeoanthropology. (Tobias.) R48,1

O'DOWD, M.C. Science and technology. R48,375

OBITUARIES

Ahrens, Louis Hermann. (Erlank.) R48,381

Bond, Guy Whately. (Partridge.) R48,186

Dart, Raymond Arthur. (Tobias.) R48,183

Eales, Lennos. (Benatar, Saunders and Kirsch.) R48,187

Erlank, Anthony John. (Duncan.) R48,384

Gledhill, John. (Walker.) R48,190

Jackson, William Peter Uprichard. (Lewis.) R48,386

Lawrence, Reginald Frederick. (Croeser.) R48,192

OCEANOGRAPHY

SCHUMANN, E.H., DE MEILLON, L. Hydrology of the St Francis Bay marina. R48,323

PEDOLOGY

MILTON, S.J., DEAN, W.R.J., KERLEY, G.I.H. Tierberg Karoo Research Centre: history, physical environment, flora and fauna. R48,15

Physical environment, Tierberg Karoo Research Centre. (Milton, Dean and Kerley.) R48,15

PHYSICS AND ENGINEERING

SPARGO, P.E. Faraday, Joule and the mechanical equivalent of heat. R48,47

Piltdown, history of palaeoanthropology. (Tobias.) R48,1

Political context, South African science policy. (Ellis.) R48,351

PRESIDENTIAL ADDRESSES

ELLIS, G.F.R. Priorities in South African science policy in a changing economic and political context. R48,351

Primary production of the Cape of Good Hope littoral and sublittoral seaweeds. (Levitt.) R48,339

Priorities in South African science policy in a changing economic and political context. (Ellis.) R48,351

Production, primary, littoral and sublittoral seaweeds. (Levitt.) R48,339

REBELO, A.G. Red data book species in the Cape floristic region: threats, priorities and target species. R48,55

Red data book species in the Cape floristic region: threats, priorities and target species. (Rebelo.) R48,55

RICHARDSON, P.R.K. The function of scent marking in territories: a resurrection of the intimidation hypothesis. R48,195

Rock glaciers, East Cape Drakensberg. (Lewis and Hanvey.) R48,265

Scent marking in territories, intimidation hypothesis. (Richardson.) R48,195

Science and technology. (O'Dowd.) R48,375

Science policy, South Africa. (Ellis.) R48,351

SCHUMANN, E.H., DE MEILLON, L. Hydrology of the St Francis Bay marina. R48,323

Seaweeds, littoral and sublittoral, primary production. (Levitt.) R48,339

Silver Jubilee Symposium of the Mammal Research Institute. (Van Jaarsveld.) R48,ii

SKINNER, J.D. Springbok *(Antidorcas marsupialis)* treks. R48,291
see also COE, M.J., MITCHELL, G.

South African science policy, economic and political context. (Ellis.) R48,351

Southern Africa, vertebrate populations as indicators of environmental change. (MacDonald.) R48,87

Southern African mammal faunas, connections, disjunctions and endemism. (Coe and Skinner.) R48,233

SPARGO, P.E. Faraday, Joule and the mechanical equivalent of heat. R48,47

Spotted hyaena, mortality patterns. (Van Jaarsveld.) R48,219

Springbok treks. (Skinner.) R48,291

St Francis Bay marina, hydrology. (Schumann and De Meillon.) R48,323

Sterkfontein, new researches. (Tobias.) R48,1

Sublittoral seaweeds, primary production. (Levitt.) R48,339

Subterranean herbivory, fossorial and terrestrial mammals. (De Villiers.) R48,257

SYMPOSIUM

COE, M.J., SKINNER, J.D. Connections, disjunctions and endemism in the eastern and southern African mammal faunas. R48,233

DE VILLIERS, M.S. A comparison of subterranean herbivory by fossorial and terrestrial mammals. R48,257

MITCHELL, G., SKINNER, J.D. How giraffe adapt to their extraordinary shape. R48,207

RICHARDSON, P.R.K. The function of scent marking in territories: a resurrection of the intimidation hypothesis. R48,195

VAN JAARSVELD, A. The Silver Jubilee Symposium of the Mammal Research Institute (October 1991). R48,ii

VAN JAARSVELD, A.S. A comparative investigation of hyaenid and aardwolf life histories, with notes on spotted hyaena mortality patterns. R48,219

Taung, new researches. (Tobias.) R48,1

Tuang fossil deposits, caves in calcareous tufas. (McKee.) R48,307

Technology and science. (O'Dowd.) R48,375

Terrestrial mammals, subterranean herbivory. (De Villiers.) R48,257

Tierberg Karoo Research Centre: history, physical environment, flora and fauna. (Milton, Dean and Kerley.) R48,15

TOBIAS, P.V. New researches at Sterkfontein and Taung with a note on Piltdown and its relevance to the history of palaeoanthropology. R48,1

VAN ERKOM SCHURINK, C., *see* HOCKEY, P.A.R.

VAN JAARSVELD, A. The Silver Jubilee

Symposium of the Mammal Research Institute (October 1991). R48,ii
VAN JAARSVELD, A.S. A comparative investigation of hyaenid and aardwolf life histories, with notes on spotted hyaena mortality patterns. R48,219
Variability, continuing human evolution. (Henneberg.) R48,159
Vertebrate populations as indicators of environmental change in southern Africa. (MacDonald.) R48,87

ZOOLOGY

COE, M.J., SKINNER, J.D. Connections, disjunctions and endemism in the eastern and southern African mammal faunas. R48,233
DE MOOR, F.C. Factors influencing the establishment of aquatic insect invaders. R48,141
DE VILLIERS, M.S. A comparison of subterranean herbivory by fossorial and terrestrial mammals. R48,257
HOCKEY, P.A.R., VAN ERKOM SCHURINK, C. The invasive biology of the mussel: *Mytilus galloprovincialis* of the southern African coast. R48,123
MACDONALD, I.A.W. Vertebrate populations as indicators of environmental change in southern Africa. R48,87
MILTON, S.J., DEAN, W.R.J., KERLEY, G.I.H. Tierberg Karoo Research Centre: history, physical environment, flora and fauna. R48,15
MITCHELL, G., SKINNER, J.D. How giraffe adapt to their extraordinary shape. R48,207
RICHARDSON, P.R.K. The function of scent marking in territories: a resurrection of the intimidation hypothesis. R48,195
SKINNER, J.D. Springbok *(Antidorcas marsupialis)* treks. R48,291
VAN JAARSVELD, A. The Silver Jubilee Symposium of the Mammal Research Institute (October 1991). R48,ii
VAN JAARSVELD, A.S. A comparative investigation of hyaenid and aardwolf life histories, with notes on spotted hyaena mortality patterns. R48,219
